

## Definition Specification

We choose this definition Event Management because if client want to plan any occasion, She/he can easily book their event in our website so they don't need to stay in queue and it's saving a lot of precious time of client.

Our project company name is Classic Event Management. Event Management is the planning and management of an event, project or activity. Classic Events is one of the event management companies which provides online Event booking and it is the major feature of this project, In order to consider the comfort of visitors.

Classic Events engage highly creative scriptwriters, set designers, sound & light technicians to make your occasion special so that who book their event is stay tension free and enjoy their occasion.

Classic Events is a full service company that provides complete consulting & service for weddings, anniversaries, birthday parties and also corporate events. Our company's website provide wide range of wedding theme to clients, clients can also choose their dream theme and book it online easily.

Classic Event's main objective is to control or manage the activities and duties to be performed by various event conductors. This terminology is comparatively very new in Rajkot. Though Rajkotiens have been arranging for wedding ceremonies, birthday parties, anniversaries and DJ sounds even much before independence.

## WEDDING

### DESCRIPTION:

This page shows the information about the Wedding Planning. It provides all information about facilities for marriage which is provided by Classic Events team. It is also showed some themes.

**WEDDING**

**Marriages are planned in heavens, but celebrated on earth.**

Classic Events offers comprehensive wedding planning solution right from booking the venue, decorations & entertainment programmes. Our endeavour will always be to create something completely new to showcase visual designs to leave your guests in awe.

Wedding is an important event in our social life. Managing and organizing it, is always bit of a concern for families. We can help you with our professional touch. Don't be a lonely warrior to run to different services and spend time to contact and negotiate with them. You should be busy doing some other important activities like enjoying the event with your family rather. For we shall take the entire responsibility of arranging your wedding event from scratch to finish by our experience and professional ability.

**Our Services**

- Wedding
- Birthday Party
- Anniversary
- Other Events

### Testimonial

**\* I AM SATISFIED \***

I am satisfied with event organizer's work. Best work and its price budget.

Sanjay Patel

We make your Wedding unforgettable for lifetime.

We help our clients to organize their event, by our experience and professional ability. For we Indians spare no effort to make a wedding grand function which include exotic locations, abundant and professional planning with unique themes to celebrate it at its peak.

### We Specialize In

We provide a wide range of services

**01. DESTINATION WEDDING**

Classic Events choose beautiful location for your wedding function and we can make it a memorable one. It is very important to finalize the venue with the consent of all concerned with the event. We help you with suggestions for you to make a perfect choice from many options we have to make your event memorable.

**03. CATERING SERVICE**

Food is very vital at any marriage function to make it memorable. It is something you serve with your heart to your guests and the families. We shall help you to cater perfect taste of your choice. Be it spicy, sweet, Gujarati, Punjabi, Rajasthani, South Indian, Indian, Continental or Thai, we make sure that the best taste is served at your event.

**05. ACCOMMODATION**

If it's part of the package, we would also arrange for your guests stay at good hotels. We also escort them with our well-trained courteous staff and provide other requisite assistance.

**02. THEME WEDDING**

Our wedding themes come with numerous varieties. They could be simply floral, a haveli, a palace and with drapery of traditional arts like Zardosi, Brocade, Jamawar etc.. Well-designed and creatively decorated Mandap provides a dream traditional atmosphere on the auspicious occasion. We make sure that this ambiance is really delivered to you.

**04. LIGHTING**

Sound, action and light are part of modern celebrations. We do it in such a methodical way that it will help to enhance the effect created by the decorations of Mandaps & the flowers. It will be a memorable experience of illumination for all who would be present on the occasion.

**06. TRANSPORTATION FOR GUESTS**

We arrange for special vehicles for guests to reach the venue on scheduled times of the rituals and functions. They will be provided necessary assistance from us along with the pick up and drop services from airport, railway station or bus stands.
